

DO:

Do Carpool: There are very few entrances to Robins AFB. Parking will be limited to I.D. holders only. Off base parking will be free with buses providing transportation to and from the shows. Traffic flow into the base will be easier if friends and family carpool.

Do bring sunscreen: Temperatures on the flight line are typically higher than normal. Take extra precautions with small children.

Do bring a camera and a pen: Many of the performers make themselves available for autographs and pictures during and after the show.

Do bring ear plugs: Loud noises on the flight line can damage your ears. Hearing protection is recommended.

Do bring folding chairs: Seating on the flight line will be limited. Visitors who will want to sit to watch longer demonstrations, especially children and elderly, will want to bring lightweight, portable seating to the show.

DON'T:

Don't smoke on the flight line: The entire ramp is a designated non-smoking area. Additional non-smoking areas will be designated by the base fire chief.

Don't plan to park on base and walk to the venue. Foot traffic north of the Aero Club is not authorized and will be turned around. All on-base parking will be bused to the venue.

Don't bring dogs or other animals, bicycles, roller-blades, skateboards, alcohol, fireworks, food or beverages in glass containers, or weapons of any kind.

Don't over indulge in alcohol: Applicable laws will be enforced. Alcohol consumption can also increase the chance of heat stroke or dehydration on a hot day.

Don't arrive too late: Limited parking and shuttle service to the flight line will require visitors to arrive early to see all the action.

Don't bring wagons or other child carrying items that are not collapsible.

Don't politically campaign while on base.
