

## 78TH AIR BASE WING

Is Robins' host organization, responsible for every support service associated with a large installation.

## WARNER ROBINS AIR LOGISTICS COMPLEX

Performs depot-level maintenance and repairs on a wide variety of Air Force equipment and weapons systems, including the C-5 Galaxy, C-130 Hercules, F-15 Strike Eagle, several Special Operations Forces aircraft, and the Predator and Reaper. It also provides space for contract C-17 Globemaster III repairs.

## 461ST AIR CONTROL WING

Is leading the Air Force into the future of modern warfare through Joint All Domain Command, Control and Communication (JADC3).

## 950TH SPECTRUM WARFARE GROUP

Is responsible for developing and executing electromagnetic warfare assessments, and developing EW capabilities, for the force.

⊗ MORE THAN 50 MISSION PARTNERS

AT A GLANCE

**ROBINS**  
AIR FORCE BASE

## AIR FORCE RESERVE COMMAND

Manages the service's nearly 75,000 Reserve forces, which are involved in every mission of the Active Component.

## AIR FORCE SUSTAINMENT CENTER SOFTWARE DIRECTORATE

Coordinates the activities of three software engineering groups and 11 operating locations.

## 116TH AIR CONTROL WING

This Georgia Air National Guard wing operates the Advanced Battle Management Family of Systems, a next generation system of systems.

## DEFENSE LOGISTICS AGENCY ACTIVITIES

Include DLA Aviation, DLA Distribution, DLA Disposition Services and DLA Document Services.

## 638TH SUPPLY CHAIN MANAGEMENT GROUP

Provides logistics and lifecycle-sustainment for 100,000 repairable and manufactured items.

## 472ND ELECTRONIC COMBAT SQUADRON

Operates the E-11A Battlefield Airborne Communications Node (BACN).

## AIR FORCE LIFE CYCLE MANAGEMENT CENTER OPERATING LOCATION

Provides cradle-to-grave oversight of a wide range of weapons systems, equipment, vehicles and capabilities.

# MISSION

Empowering excellence by delivering world-class installation support and providing exceptional infrastructure, services, and resources to enable Robins AFB mission partners to excel in the execution of their critical national defense roles.

# VISION

The Installation of Excellence – The best base to live, learn, work and play.
