To request a Scouts visit at Robins AFB, the Troop must submit a fully completed Entry Authority List (EAL) at least 14 calendar days prior to the visit. The e-mail address to request an EAL template and for submittal is 78sfs.s5p.idaccess@us.af.mil. The Troop must provide their own sponsor who has base credentials and sponsorship capabilities.

Due to the nature of sponsorship, the 78th Security Forces Squadron cannot provide a sponsor; however, they are happy to assist with resource information. Please reach out to Staff Sgt. Kandice Crump with questions or concerns or call our Visitor Center via DSN: 468-4208 or Commercial: (478) 926- 4208.

We look forward to helping you get outdoors!
