-IDRenew Kiosk

The IDRenew Kiosk was developed exclusively for military retirees and dependents who need to renew their military ID card.

How does it work? It's as easy as 1, 2, 3!

- Step 1: Have your sponsor certify a DD Form 1172-2.
 - The sponsor must logon to the DMDC Website to document relationships with applicants by creating and certifying a DD Form 1172-2. This can be done from any desktop or from the kiosk itself.
- Step 2: Use the kiosk to submit your application.
 - The IDRenew Kiosk will walk you through all steps needed to submit an application to the MPF, including how to take your photo and how to scan documents.
- Step 3: Pick up your ID Card later, when it's ready.
 - The MPF will email you or the sponsor when the new ID card is ready.
