

Robins AFB Lactation Room Map

Sept 2022

Find Places to Pump

- Around your workplace.
- At training or conference locations.
- And coordinate usage with nearby units.

The digital map is CAC enabled and built to connect potential lactation room users with room POCs at Robins AFB

Go to the USAF Connect App for more information

USAF Connect > Robins AFB > Resources > Lactation Room

Information Available on USAF Connect:

- PDF of this Factsheet (Page 1)
- PDF Digital Map Registration Instructions and Links (Page 2)
- PDF Room Index – Lactation Summary

Download this Factsheet and Email to your Gov email address for working hyperlinks.

Feedback, corrections, and additions to the map can be submitted via an MS 365 Form

<https://forms.osi.apps.mil/r/SisYNNCh5g>

Developed by the Robins AFB Women's Initiative Team (WIT)

78ABW.WomensTeamLeads@us.af.mil

Printed on 9/14/2022

Reference DAFI 36-3013

*LACTATION ROOMS AND
BREAST MILK STORAGE FOR
NURSING MOTHERS*

For full lactation room requirements.

“Unit Commanders: Will identify a private, secure (lockable from the inside) and clean area, other than a restroom, as a lactation room in the immediate vicinity of unit facilities or temporary workstations that are available to meet the needs of breastfeeding personnel to express breast milk.”

(DAFI 36-3013, August 2021, Paragraph 2.6.1)

Directions to Access the Robins AFB Lactation Room Map (CAC Required)

1. Access AFMC Portal via the link below and join the Robins AFB “Lactation Room Survey” Group.
<https://maps.afmc.af.mil/portal/home/group.html?id=7032f9dfa03e4cb68c3c89fc7ca090a1>

Your account will be created with your CAC credentials when you visit the site for the first time, people outside of AFMC can create an account.

2. Click “Join This Group”.

3. Click “Lactation Rooms Robins Air Force Base”, this will take you to the digital map.

4. Bookmark this link for future use. You now have read-only access.
