

# Flyover Requests

Requests for U.S. Air Force aircraft to participate in flyovers, airshows or as static displays is managed by the Department of the Air Force. Organizations wishing to feature a Robins aircraft at their event should visit the Air Force's Aviation Support page, <http://www.airshows.pa.hq.af.mil> or contact Air Force Aviation Support at SAF/PAN, (703) 695-9664 or e-mail, [SAF.PA.AF.Aerial.Events@us.af.mil](mailto:SAF.PA.AF.Aerial.Events@us.af.mil). Each military service uses DD 2535 to determine eligibility of an event for military aerial support.
